SAMSUNG

# SAMSUNG

Samsung commercial microwave ovens are made specifically to meet the demands of the catering market - which means they are tough and very efficient.

They are also brilliantly designed to give 35% more usable cavity space than

**Largest capacity in its class:  
26 litre capacity with  
2/3 Gastronorm cooking area**

comparable machines and have a unique cooking pattern that produces perfect results time after time. Robust, reliable, energy efficient and easy to operate, all Samsung microwaves come complete with a full 3 year guarantee with an option to extend to 5 years\*.

**3 YEAR**  
**'Fuss Free'**  
**Guarantee**

Fully comprehensive on site guarantee covering all mechanical failures, including parts and labour costs\*\*

## the range

The Samsung range of commercial microwave ovens offer the flexibility to serve a wide variety of dishes - in a diverse range of outlets.

Whether for cooking or reheating, for preparation or finishing, when speed is of the essence and quality is vital, the Samsung range will provide assured power, efficiency and reliability time after time.

## ideal for

### LIGHT DUTY MODELS

Cooking or reheating in light duty locations such as small cafes and restaurants, low volume vending sites, offices and staff rooms .

### MEDIUM DUTY MODELS

Locations such as cafes, fish and chip shops, sweet areas, low volume vending sites, offices, shops, garage forecourts, hospital wards and university dormitories.

### HEAVY DUTY MODELS

Single or multi-portion throughput in locations such as small pubs, restaurants, vending sites and canteens.

### SUPER HEAVY DUTY MODELS

Fast single or multi-portion throughput in locations where speed is essential such as busy restaurants, fast food stores, high volume vending sites, large pubs and contract catering.

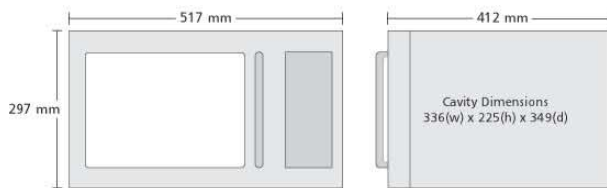

## after sales service

24 hour, 7 day manned service line via one dedicated national number - with guaranteed next day response.

\* Excludes Eire \*\* Excludes light bulb and removable accessories
